

RULES AND REGULATIONS

(Revised and adopted at the April 29, 2017 meeting of the Board of Directors pursuant to Article IV, Section 13 of the bylaws.)

I. SAFETY

A. Road Vehicles

1. "Road Vehicles" as used in this Section A, unless a different meaning is manifest, include all motor powered land vehicles such as trucks, automobiles, snowmobiles, motorcycles, mini bikes, all terrain vehicles and all other types of recreational vehicles whether operated upon the Association's roads, upon other property of the Association, or upon the lots of members.
 - a. All road vehicles must park 3' off the perimeter road during times of inclement weather.
 - b. Vehicles parked within 3' of the perimeter road presenting a hazard for driving or snow removal will be towed at the owner's expense. (Amended 3/7/05)
2. All West Virginia highway laws now in effect - as to the manner and method of operation of motor vehicles on public highways apply to road vehicles in use upon Association roads, except as hereinafter provided.
3. All operators of road vehicles on Association roads are required to have a current vehicle driver's license.
4. The maximum speed limit for road vehicles on Association roads is 25 miles per hour, except for the beach road, which is 15 miles per hour.
5. Parking upon the paved portion of the Association roads by road vehicles is prohibited.
6. Operation of road vehicles upon the Association beach, softball field, and other designated areas is prohibited.
7. Association roads have a winter weight restriction that is strictly enforced. Road vehicles and towed vehicles of 17,000 pounds or less, are permitted on Association roads between December 15 and April 15, with the exception of emergency or health care vehicles. (Amended 4/4/11)
8. The following rules and regulations apply only to snowmobiles, motorcycles, mini bikes, all terrain vehicles, and all other types of recreational vehicles:
 - a. All machines must be registered with the Association on prescribed Association forms before operation, and must be owned by a Member.
 - b. The lot number of the Member owning the machine must be clearly displayed on the rear license area.

- c. Each unlicensed motorized recreational vehicle listed above when registered, needs verification of being insured for a minimum \$300,000 occurrence limit for liability and have FTL Association listed as additional insured/interest on policy. (Amended 3/10/13)
- d. Unlicensed operators twelve (12) years of age or older, may ride such machines on trails and designated fields of the Association, except when these areas are closed to road vehicles.
- e. The number of riders on a machine shall not exceed manufacturer's recommendations. (Amended 4/4/11)
- f. Side-by-side operation of two or more machines upon the paved portion of the Association roads is prohibited.
- g. Racing of machines is prohibited.
- h. Loud exhaust on machines is prohibited.
- i. Operation of machines between sundown and sunup is prohibited unless appropriate lights are displayed front and rear.
- j. Operators and passengers on such machines shall wear an approved safety helmet at all times.
- k. Since the Association's trails are not regularly maintained, riders of recreational vehicles do so at their own risk and are responsible for their actions.
- l. Trail riding is only allowed for FTLA members on registered 4 wheelers, UTV's and trail bikes. No "on road" vehicles are allowed to be driven on trails - \$500 fine if caught in doing so. (Amended 9/19/16)
